1 February 2013

Dear Shareholder

The Annual General Meeting gives us the opportunity to present the Company's performance and strategy to shareholders, and allows us to listen to your comments, and respond to your questions as the Company enters an important phase of its development.

Following the strategic investment by Zhongrun International Mining Co. Ltd ("Zhongrun") in Vatukoula Gold Mines plc ("Vatukoula" or the "Company"), and as announced in October last year, Zhongrun is entitled to propose four nominees for election as Directors at this Annual General Meeting. Zhongrun has proposed three new directors and John Kearney as their nominees to your board. The appointment of the new directors is subject to shareholder approval.

After eleven years of overseeing Vatukoula's growth as a gold producer, I will be retiring as Chairman of Vatukoula. My retirement is subject to the appointment of the new directors and the appointment of a suitable replacement Chairman by the board.

On my retirement we anticipate the board to comprise of seven members with two executive directors, and five non-executive directors, one of whom will be the Chairman. This board composition is similar to what we have had in place over the last two years and we believe that the board will be of a suitable balance and that the recommendations of the Combined Code have been implemented to an appropriate level.

Annual General Meeting 2013

This year's Annual General Meeting of the Company will be held at Laytons Solicitors LLP, 2 More London Riverside, London SE1 2AP on 25 February 2013 at 11.00 a.m. Full details of the meeting and the resolutions that will be put to shareholders are set out in the enclosed Notice of Annual General Meeting (the "Notice").

If you are planning to attend the meeting please arrive by 10.45 to allow for registration. Additionally, if you cannot come to the meeting in person, your vote is still important and you are urged to complete, sign and return the enclosed proxy card to be received by 11.00 a.m. on 23 February 2013. If you cannot attend, but would like to raise any points, please send your comments to info@vgmplc.com and we will take them into account in planning the meeting.

Resolutions

In addition to the routine business, we are asking shareholders to approve some additional items of business at this year's Annual General Meeting.

Resolutions 3 to 6

As announced on the 31 October 2012, Vatukoula agreed as part of the completed subscription by Zhongrun International Mining Co. Ltd ("Zhongrun") that Zhongrun is entitled to propose four nominees for election as Directors at this Annual General Meeting. Zhongrun has proposed three new directors (details of whom are set out in the notes to the Notice) and John Kearney (who is an existing director retiring by rotation) as their nominees. For the purposes of Article 87 of the Articles of Association of the Company the Directors recommend each of the nominees for election.

Resolution 10

This resolution contains certain proposals to amend the Company's Articles of Association. The changes proposed are, first, to change the borrowing powers of the Company. When Vatukoula was formed the Articles of Association provided for a fixed sum for the power of the Company to borrow which was limited at £5,000,000. The Directors consider, first, that this is an amount considerably lower than is needed to provide for the potential capital requirements of the Group, and, moreover, that borrowing powers linked to the underlying capital base of the Group would be more appropriate. Accordingly the changes to be proposed are to replace the fixed amount with the power to borrow an amount up to equal to a multiple of four times the adjusted capital and reserves of the Group.

Second, in order to reflect technological changes, it is proposed to amend the Articles of Association to permit share certificates to be issued with a securities seal attached or printed by any mechanical, electronic, laser or other means approved by the Directors.

Recommendation

Your Directors are of the opinion that all resolutions which are to be proposed at the Annual General Meeting are in the best interests of the Company and its shareholders and therefore unanimously recommend that you vote in favour of the resolutions.

Chairman of the Board

Explanatory notes on the resolutions to be proposed at the Annual General Meeting.

Resolution 1 – Accounts

The Directors are required by company law to present each year the Company's financial statements and the Directors' and the Auditors' report on the financial statements to the Company in a general meeting.

Resolutions 2 to 6 – Directors

The Company's Articles of Association require, first, that any directors appointed during the year following the annual general meeting offer themselves for election at the next annual general meeting. In addition at each annual general meeting any director who was elected, or last re-elected, at or before the annual general meeting held in the third calendar year preceding that annual general meeting is required to retire from office by rotation but is eligible for re-election.

No directors have been appointed since the last annual general meeting and this year the following directors are required to retire by rotation. Each, being eligible, will be proposed for re-election:

John MacPherson, Non-executive Director, age 68

Mr MacPherson is a director of and founding chairman of Canadian Zinc Corporation. He has been active in public markets, corporate finance and corporate development for over 30 years. During this time he has led the strategic development of several successful ventures, primarily in the fields of mining and oil and gas. Throughout his career he has served as director of many private and public corporations listed on the Toronto, AMEX and London Stock Exchanges.

John Francis Kearney, Non-executive Director, age 61

Mr Kearney is the Chairman and President of Canadian Zinc Corporation with over thirty years experience in the mining industry worldwide. With degrees in law, economics and business administration, he has a strong background in corporate development, finance and managing public companies, primarily in the mining field.

As announced on the 31st October 2012 Vatukoula agreed as part of the completed subscription by Zhongrun International Mining Co. Ltd ("Zhongrun") that Zhongrun is entitled to propose four nominees for election as Directors at this Annual General Meeting. Zhongrun has proposed the following three new directors and John Kearney as their nominees:

Fengwen Zheng, Non-executive Director, age 47

Mr Zheng is currently the Chairman of Zhongrun Resource Investments Corp., Chairman of Shandong Shengji Investment Co., Ltd., and director of Huibang Investment Corp. Mr Zheng is instrumental in setting the business strategies of the companies and in steering implementation of the corporate development plans. He has over 20 years of experience in financing, investment, and corporate management. Mr Zheng obtained a BA degree in language art and an MBA degree from Shandong University, and an EMBA degree from Fudan University.

Yingbin Ian He, Non-executive Director, age 50

Mr He has 30 years experiences in the mining industry. Mr He obtained his Ph.D. degree in mineral process engineering from the University British Columbia in Canada. He is currently a director of Zhongrun Resources Investment Corp. which is listed on the Shenzhen Stock Exchange and China Gold International Resources, which is dual listed on the Toronto Stock Exchange and Hong Kong Stock Exchange. Mr He is currently the president and director of Tri-River Ventures Inc. Between 1995 and 2006, he served as president and director of Spur Ventures Inc., both listed on the TSX Venture Exchange in Canada. Prior to that, Mr He worked as a mineral

processing engineer and senior metallurgist with Canadian mining companies and an engineering consulting company.

Yeung Ng, Non-executive Director, age 33

Mr Ng has been a director of Zhongrun since May 2012. Mr Ng is also the Chief Financial Officer of Zhongrun and is primarily responsible for the overall management of the accounting and financial management of Zhongrun. He holds a Bachelor of Commerce (Information System, and International Business) degree from the University of New South Wales, and graduated from the University of Sydney with a Master of Professional Accounting degree. Mr Ng acquired 6 years of experience in the finance and accounting profession in Australia before joining the Hong Kong based company in 2011, and thereafter has been actively involved in overseas corporate acquisitions, valuations and due diligence.

Resolution 7 – Auditors

The Company is required at each general meeting at which financial statements are laid to appoint auditors who will remain in office until the next general meeting at which financial statements are laid. This resolution will, therefore, propose the reappointment of Mazars LLP as auditors and authorise the Directors to fix their remuneration.

Resolution 8 – Authority to allot shares

The Companies Act 2006 provides that the Directors may not allot shares unless authorised to do so by the Shareholders. Such a power cannot be granted for longer than five years at any one time and the total nominal value of shares which can be allotted under the authority must be specified.

To renew the Board's powers in respect of the allotment and issue of ordinary shares, it is proposed that the Directors be granted unconditional authority, in substitution for the existing authority granted by shareholders at the Company's annual general meeting held on 31 January 2012, to allot and issue or to agree to allot and issue Ordinary Shares up to a nominal value of £1,959,305 (39,186,113 Ordinary Shares) at any time before the expiry of 15 months from the Annual General Meeting, or, if earlier, on the date of the following annual general meeting.

This represents approximately one third of the Company's issued Ordinary Share capital as at the date of this notice and which complies with the guidelines issued by the Association of British Insurers and representative bodies of institutional investors.

Resolution 9 – Disapplication of Pre-emption Rights

This resolution, which is in substitution for the authority granted to the Directors at the Company's annual general meeting held on 31 January 2012, is to grant the power to the Directors to allot equity securities for cash without first offering such shares pro-rata to existing Shareholders in accordance with the statutory rights of pre-emption.

This authority will allow the Directors to allot or agree to allot equity securities for cash up to an aggregate nominal value of £1,959,305 (39,186,113 Ordinary Shares) without complying with the pre-emption requirements of the Companies Act 2006. This represents approximately 30 per cent. of the Company's issued ordinary share capital as at the date of this notice and therefore exceeds the 5 per cent. disapplication recommended in the guidelines issued by the Association of British Insurers and representative bodies of institutional investors. The proposed disapplication is however in line with other AIM listed companies that are similar to the Company and recognises the professional costs of a pre-emptive share issue would be disproportionate to the net funds raised and the cost and delay in seeking specific shareholder approval for such issues.

If granted, the authority will expire 15 months after the Annual General Meeting, or, if earlier, on the date of the next annual general meeting.

Resolution 10 – Amendments to the Articles of Association

Shareholder approval is required to amend the Company's Articles of Association. The changes proposed to be made to the Articles of Association are, first, to the borrowing powers of the Company.

When the Company was formed the Articles of Association provided for a fixed sum for the power of the Company to borrow which was limited at £5,000,000. The Directors consider, first that this is an amount considerably lower than is needed to provide for the potential capital requirements of the Group, and moreover that borrowing powers linked to the underlying capital base of the Group would be more appropriate. Accordingly the changes to be proposed are to replace the fixed amount with the power to borrow an amount up to equal to a multiple of four times the adjusted capital and reserves of the Group.

Second, in order to reflect technological changes it is proposed to amend the Articles to permit share certificates to be issued with a securities seal attached or printed by any mechanical, electronic, laser or other means approved by the Directors.
